

## CALL FOR THE 18<sup>TH</sup> INTERNATIONAL MAY DAY BRIGADE OF VOLUNTARY WORK AND SOLIDARITY WITH CUBA

Dear friends,

Please accept our warmest greetings from the Cuban Institute of Friendship with the Peoples (ICAP), a social organization that contributes to the strengthening, mobilization and unity of the International Solidarity Movement in defense of the Cuban Revolution and for friendship, peace, sovereignty and the just causes of the peoples.

From ICAP, motivated by the celebration of the 65<sup>th</sup> anniversary of its founding, we invite you to participate in the **18<sup>th</sup> International May Day Brigade of Voluntary Work**, which will take place from April 25 to May 10, 2025.

Let us celebrate together the days of International Workers' Day! The Cuban workers' movement, which has a long tradition of struggle and combativeness, will welcome you in their workplaces and communities to discuss the main challenges that today face the working class worldwide.

Brigade members from all regions of the world will be able to carry out voluntary work in centers dedicated to food production and local development programs engaged in updating the Cuban socio-economic model. This task is confronting difficult circumstances due to the harassment of the United States government and its policy of economic, financial and commercial siege against Cuba.
